

“Almost five years ago we launched the European Green Deal – our growth strategy and roadmap to net zero. The reasons which pushed us to be so ambitious then are even more pronounced today. So I want to be clear: We must and will stay the course on the goals of the European Green Deal.”

European Commission President Ursula von der Leyen

27 November 2024

Speech at the European Parliament Plenary
on the new College of Commissioners and its programme

Transforming the EU's economy for a sustainable future

Increasing the EU's Climate ambition for 2030 and 2050

Supplying clean, affordable and secure energy

Mobilising industry for a clean and circular economy

Building and renovating in an energy and resource efficient way

Financing the transition

The EU as a global leader

The European Green Deal

Mobilising research and fostering innovation

A zero pollution ambition for a toxic-free environment

Preserving and restoring ecosystems and biodiversity

From 'Farm to Fork': a fair, healthy and environmentally friendly food system

Accelerating the shift to sustainable and smart mobility

Leave no one behind (Just Transition)

A European Climate Pact

Thank you
